

Private Label

CATALOG

We are a Southern California-based company with a strong global presence, complemented by our advanced factories in China. Our seasoned team is committed to collaborating closely with you to transform your personal hair care product ideas into reality. From the initial concept to the final product, we take charge of every stage of the process, ensuring your brand's vision comes to life. We specialize in the creation of innovative hair styling tools that cater to both professionals and home users, all while maintaining the highest quality standards in the industry.

KNOWLEDGE

We've helped create numerous brands with some of the biggest names in the industry.

TURN KEY PROCESS

All you need to do is communicate your requirements, and iBB takes care of everything from the initial concept to production.

EXPERIENCE

With over 15 years industry experience, including retailing, distributing, and manufacturing.

ADVANCED PRODUCTION EQUIPMENT

Our factories boast professional R&D teams and cutting-edge equipment for top-quality production.

CONNECTIONS

We work with various manufacturers in the USA, Europe and China.

CERTIFIED PRODUCTS GUARENTEED

All of our factories are certified ISO9001 quality assurance standard and BSCI.

Our Factories Service Worldwide

Product Testing

Our factories test each product for performance, safety, quality, as well as required compliance with established standards.

Assembly Lines

Expansive assembly lines create rapid manufacturing times and increase the efficiency of the production process.

Injection Molding

Injection molding handles complex parts, uniformity, and is able to produce millions of identical parts ensuring consistent tools.

Our Qualifications

A World of Opportunities

We are here to assist you in every way possible. Our goal is to facilitate a smoother journey to market, all done swiftly and efficiently. If you don't find what you need in our catalog, simply share your request with us, and we will tailor a customized solution just for you.

Best Sellers

Infrared & Ion Hair Straightener

1" | 25MM: iBB-P10HSIRI (EU)

Titanium floating plates
Voltage: 110-125V /220-240V
Frequency: 50-60Hz 42W
Infrared Function and Ion Emitter
MCH heater
Digital temperature control
Heats up to 450°F (230°C)
Dual voltage
Extended cool tip edges
Auto shut off
2.4M 360° Swivel cord

Options

- ✓ Multiple body colors
- ✓ Multiple trim colors
- ✓ Wide 1.5" Floating Plates
- ✓ 2.7M 360° Swivel cord

Infrared & Ion Blowout Brush

2" | 50MM: iBB-P40HDBi2i (EU)
3" | 76MM: iBB-P40HDBi3i (EU)

AC 120V-240V, 50/60Hz - 1000W
Oval styling hot air brush
Far infrared function
Ion generator
3 heat & 2 speed settings
Nylon pin and bristles
Strong power and lower noise
2.4m 360° Swivel cord

Options

- ✓ Multiple body colors
- ✓ Multiple trim colors

Far Infrared & Ionic Technology Blow Dryer

iBB-P20ACBDIRI(EU)

1875W with AC motor
Far infrared
Ion generator
2 Speed & 3 heat settings
Cool shot button
2 Concentrators included
2.4m 360° Swivel cord

Options

- ✓ Multiple body colors
- ✓ Multiple trim colors

Auto Shut off
2.4M 360° Swivel Cord

Options

- ✓ Multiple body colors
- ✓ Multiple trim colors

Cordless Stylers

Luxury Rechargeable Cordless Flat Iron

iBB-P15HSCL7 (EU)

Workable while charging
Fast 70 secs to 400°F
20 secs recovery time
Work time 35mins under 430°F
Fast 35mins full charge
18650 2 batteries per iron
2500mah/per battery
Rechargeable up to 500 times
MCH heater | 200-450°F (100-230°C)
Power: 25W Voltage: 100-240V

Options
✓ Multiple body colors
✓ Multiple trim colors

ODM Cordless Straightener

iBB-P15HSL9 (EU)

Workable while charging
Fast 90 secs to 400°F
20 secs recover to 400°F
Work time 60mins under 430°F
70mins full charge
18650 4 batteries per iron
2500mah/per battery
MCH heater 200-400°F (100-200°C)
Power: 25W Voltage: 100-240V

Options
✓ Multiple body colors
✓ Multiple trim colors

Cordless LED Mini Flat Iron

iBB-P15HSMI (EU)

One 5000mah battery per iron
Work time ~ 30-40mins
3-hours full charge
Rechargeable 500 times
Three temperature settings
320-360-400°F (160-180-200°C)
Heat resistant cushion included
MCH heater
Power: 15W Voltage: 100-240V

Options
✓ Multiple body colors
✓ Multiple trim colors

ODM Cordless Rechargeable Flat Iron

iBB-P15HSCLP (EU)

Magnetic cord & charging port
 21700 battery 2pcs per iron
 4000mah/per battery
 Workable during charging
 Heat resistant power boost base
 MCH plan, 200-420°F (100-200°C)
 Digital display
 80 sec fast heat up to 400°F
 20 sec fast temp recovery
 Work time ~ 50mins in 420°F
 Fast 1-hour full charge

Options

- ✓ Multiple body colors
- ✓ Multiple trim colors

Wireless Rechargeable LCD Cordless Curler

WAND: iBB-P25CCLW (EU)
 CLAMP: iBB-P25CCLC (EU)

Clamp or wand design
 Workable while charging
 Fast heat up and temp recovery
 2mins to 400°F
 Fast 35-min full charge
 18650 2pcs batteries per iron
 2500mah/per battery
 Rechargeable 500 times
 Usage time: 30mins in 400°F
 200-400°F (100-200°C)
 MCH or heating film selectable
 Power: 40W Voltage: 100-240V

Options
